#### YOUR UNION RIGHTS

• You have the right to ask to have a union Steward or Officer present if management asks questions that could lead to discipline.

Tell them: "I request that my union representative, officer, or steward be present at this meeting. Without representation, I choose not to answer any questions."

- Don't sign or agree to anything before talking with the union.
- "Obey now, grieve later." Follow any order by management unless it is <u>clearly</u> illegal or unsafe. If you feel it violated the contract, you should contact the Union to file a grievance after work or during your break as soon as possible.
- Know your Rights, know your Contract, know your Steward.
